

LEADERSHIP SHENANDOAH COUNTY

2024

Sponsor Opportunities

April – December 2024

Leadership Shenandoah County (SLSC) is a nine-month interactive, informative program designed to strengthen individuals for personal, organizational, and community leadership. A full-day opening retreat and leadership journey overview launches the program in April, followed by 8 monthly sessions. A graduation celebration is held in December.

LSC offers existing and emerging leaders opportunities for skill building and leadership development. The program includes a comprehensive examination of Shenandoah County, and encourages participants to apply their leadership skills through community-oriented group projects.
